FRESNO, CALIFORNIA CLASS SPECIFICATION

SENIOR WASTEWATER SERVICES MECHANIC

FLSA STATUS:

Non-Exempt

CLASS SUMMARY:

The Senior Wastewater Services Mechanic is the third level in a three level Utilities Wastewater Treatment Mechanic series. Incumbents are responsible for serving as a lead worker and performing journey level equipment repairs, servicing, and maintenance of wastewater treatment plant and facilities. Incumbents are also responsible for conducting equipment and facility surveys and identifying and recommending efficiency and productivity improvements.

The Senior Wastewater Services Mechanic is distinguished from the Wastewater Services Mechanic by its responsibility for serving as a lead worker to other employees. The Senior Wastewater Services Mechanic is distinguished from the Chief of Wastewater services, which has first-line supervisory responsibilities.
